“ The class of Freedom High School 1976 would like to offer our condolences on the passing of Ronnie. We had been looking for him for a few years, we learned of his dad's passing and in turn found out that Ronnie passed earlier. It is so sad to lose a classmate who was so young. When we were in jr high school through high school Ronnie used to play the guitar and sing in the band with Jim Ulianna, Danny Cronin and Leo Cronin, we all had so much fun and lots of memories. Now he can join Jim and Danny and rock on.

Again, please accept our heartfelt condolences

“ Alexa, we are very heartbroken over the loss of your dad. I was remembering when we all went to Disney for Halloween and you girls got all dressed up and your dad had that sparkly orange hair on! We all had so much fun and laughed the whole time. I have so many fond memories of you growing up and being daddy's girl. We are all thinking of you and have you close to our hearts. I love you.

“ Dear Joni and Family,
It's not often that you meet someone that touches your life every single day. Dawson had that kind of impact on all of us at North State Aviation. We are heart broken and will never forget his smiling face as he traversed the hallways and hangar. Co-workers and customers alike thought the world of Dawson and he will be missed. Please know we are here for all of you!
