“ Peggy has always been a part of my life. We were together as Tupperware consultants, we went to conferences together. She would call just to check in, make sure I was ok. I visited her at Lifebrite, she was always so glad for the visits. I will miss her dearly. Just found out today of her passing, I will be praying for all that were a part of her life.

“ So, we'll go no more a roving  
So late into the night,  
Though the heart be still as loving,  
And the moon be still as bright.

Sleep well my friend
